

Authority

Our most popular tier — built to own a county.

Package ID	PKG_03
Setup Price	\$699 setup
Estimated Reach	20 mile radius
Pages	Up to 20 service-area pages
Required Plan	Growth plan (\$99/mo) recommended

WHAT'S INCLUDED

- Everything in the Momentum package
- Up to 20 service-area pages
- Expanded local SEO targeting across multiple towns
- Wider regional reach with internal linking strategy
- Service schema and FAQ schema on every page
- Map pack optimization and citation alignment
- Quarterly SEO checkup included with Growth plan

REQUIREMENTS

- Active management & hosting plan (Growth recommended)
- Full list of target service areas
- Detailed service descriptions and differentiators
- Project photo library and any reviews to feature

BEST FOR

Crews that already have demand and want to control the map pack across a whole county.

HOW IT WORKS

- 1 Pick the package and your management plan on hulseycreativeco.com.
- 2 We collect your brand assets, content, and service areas.
- 3 Build kicks off — most sites go live within 24 hours of asset handoff.
- 4 Review and request revisions before launch.
- 5 We push live, configure your domain, and hand over owner login.
